Working test

Welcome to the Danish Retriever Events 2010!

In connection with the 2010 World Dog Show in Denmark at which the retriever breeds will be judged on Thursday, June 24 the Danish Retriever Club (DRK) will arrange its own retriever events on the following days.

The DRK CAC shows will take place at Vildbjerg Sportscenter – only 15 km from Herning, site of the World Dog Show.

DRK represents the following 5 breeds: Chesapeake Bay, Curly Coated, Flat Coated, Golden & Labrador Retriever.

On Friday, June 25 DRK invites you to a CAC show for all the retriever breeds.

This means that also Nova Scotia Duck Tolling Retrievers may be entered this day. Please note that entries for this breed will be handled by the NSDT breed club.

On Saturday, June 26 the 5 DRK breeds will arrange their own, separate CAC shows. Each breed will be responsible for entries and further information about judges etc.

"Meet and Greet": Friday, June 25 allows us to get together for a festive evening with good food, cosy togetherness, and great entertainment. This event, too, will be at Vildbjerg Sportscenter. Please observe the deadline and make reservations in time!

On Sunday June 27 an official Working Test will be arranged not far from Herning.

The Danish Retriever Club sincerely hope that the above special offers will result in the participation of many retrievers at all the events following the World Dog Show. We are looking forward to welcoming you to the Danish Retriever Events 2010!

On behalf of the Danish Retriever Club

Tove Hjorth
